

JOIN US ON OUR SNOWDON SUNRISE WALK

Imagine the thrill of watching the sun rise from the highest peak in Wales and every step you take is a step closer to making a real impact!

This April, embark on an extraordinary, fully guided night hike under the stars and moonlight as we make our way to the 1,085m summit of Snowdon.

Our young people are navigating a complex web of challenges that risk their well-being and futures. By signing up and raising sponsorship money, you can create a safer, brighter future for our young people and our city.
